--

Area of Coverage: China

Subjects Covered: Land reform; recovery of industrial production; agricultural production; water conservation; railway transportation; foreign trade; cooperatives.

Scholarship Evaluation: Skillful compilation of official statements regarding the achievements of the Communist regime

Review: This is a compilation of 24 articles written in commemoration of the third anniversary of the founding of the People's Republic of China by ministers or other top officials of the various ministries of the Central People's Government. Fifteen general articles deal with the suppression of counterrevolutionaries, establishment and achievements of the judicial system, minority nationalities, cadre work, people's supervisory work, cultural, educational and scientific work.

The remaining nine articles dealing with economics are listed below:

1. Po I-po: "Achievements of the Chinese People's Republic During the Past Three Years"
